

24th

ADVANCED APPLIED LAPAROSCOPIC UROLOGY COURSE AND MINI-LAPAROSCOPY SYMPOSIUM

20-21 SEPTEMBER 2013
IZMIR, TURKEY

24th Advanced Applied Laparoscopic Urology Course and Mini-Laparoscopy Symposium

İzmir Üniversitesi Tıp Fakültesi Medical Park Hastanesi,
20-21 Eylül 2013, İzmir, Türkiye

Kurs ve Sempozyum

24. Uluslararası Katılımlı İleri Düzey Uygulamalı Laparoskopik Üroloji Kursu ve
Mini Laparoskopik Sempozyumu

Katılımcıların Sayısı

12 kursiyer, 6 eğitmen, canlı cerrahilerde aktif katılım
Sempozyuma 150 katılımcı, oturumlar ve canlı cerrahilere pasif katılım

Kursiyerlerin Grupları

3 grupta 4 kursiyer ve her grup için 2 eğitmen (Grup A,B,C).

Kursun Tanımı

İki günlük kurs programında kursiyerler deneyimli cerrahlar ile ameliyata
girecekler ve operasyonlarla ilgili bilgilerini arttıracaklar, kuru laboratuvarında
laparoskopik görüntüleme cihazları ile kutu içinde el aletleriyle çalışmalar
yapacaklar ve eğitmenlerin videolar eşliğinde verecekleri konuşmalara
katılacaklar. Sempozyumda canlı cerrahi oturumları yapılacak ve bu oturumlarda
salondan veya internetten aktif katılımı uluslararası ve ulusal otör olmuş cerrahlar
ile tartışmalar yapılacak.

Katılım ve Konaklama

Sempozyuma katılım ücretsiz olup eğitmen, konuşmacı ve kursiyerlerin katılımı
ve konaklama sponsor firmaya aittir.

Program kitapçığı uluslararası katılım nedeniyle **ingilizce** olarak düzenlenmiştir.

24th Advanced Applied Laparoscopic Urology Course and Mini-Laparoscopy Symposium

**20-21 September 2013, Izmir University, Faculty of Medicine,
Medical Park Hospital, Izmir, Turkey**

THE NUMBER OF PARTICIPANTS:

12 trainees, 6 trainers will be in the operation rooms
150 participants in the symposium hall

THE NUMBER OF GROUPS:

DESCRIPTION OF THE COURSE:

This 2-day course includes both lectures and hands-on training and assistance in live human operation with an experienced surgeon. There will be live surgery sessions discussion with the mentors and participants at the symposium hall and online from the internet link.

THE UNIQUE FEATURE:

During the course every trainee will take part in live operation with an experienced surgeon.

ACCOMMODATION AND TRANSFER:

Covered by sponsor's funds, the symposium will be free for participants.

PROGRAM: **THE 1st DAY (September 20th, 2013 Friday)**

08:30-09:00 Opening speeches

Dean of Izmir University, Y. Ozgok, I. Yavascaoğlu, YZ Atesci,

09:00 -10:00

Chair: *Y.Ozgok, J. Rassweiler*

- Mini laparoscopy in Urology

F.Porpiglia

- Indications for LESS in Urology

M.Arslan

- Is conventional laparoscopy dying?

A.Tuncel

- SMART pyeloplasty: is it going to be the gold standart?

J. Rassweiler

10:00 -10:30 Coffee break

10.30-13:00 Live operations

Moderators: *I. Yavascaoğlu, B.Cleynenbreugel*

Group A – B - C Practical interactive online lectures from operating room.

Op. room 1: SMART Pyeloplasty (*J. Rassweiler*)

Op. room 2: Transperitoneal mini laparoscopic transmesocolicpyeloplasty (*F.Porpiglia*)

13:00-14:00 Lunch time

14:00-15:00 Round table video discussion

Conventional laparoscopy vs. LESS vs. Mini laparoscopy in Urology

Chair: *J.Rassweiler, I.Yavascaoğlu,*

F.Porpiglia, A.S.Gozen, B.Turna, M.Arslan

15:00- 15:30 What about laparoscopy training?

Chair: *Y.Ozgok, E.Canda*

-EAU standards for laparoscopy training

B.Cleynenbreugel

-Basic (E-BLUS) and Advanced laparoscopy training programs

A.Gözen

-TURKUROOLAP laparoscopy training concept

C.Gürbüz

15:30-16:00 Coffee break

Salon 1

16:00- 17:00 Video-Lectures “Laparoscopic adrenalectomy: The optimal approach”

Chair: *O.Nazli, Y.Z. Atesci*

- Transperitoneal approach

I.Yavascaoglu

- Retroperitoneal approach

M.Ates

- LESS Adrenalectomy

C.Gurbuz

Salon 2

15:45-17:30 Taking the E-BLUS exam (get ready for the reality) **(12 trainees&6 trainers)**

-Briefing for trainers

D.Veneziano

-Warming up session (trainees)

D.Veneziano and trainers

-E-BLUS Exam

AS.Gozen, B.Cleynenbreugel, D.Veneziano

17.00 - 17.30 Summary of the day: Questions to the course-leaders.

Moderator: *Y.Ozgok*

19.00 - 21.00 Official Course Dinner

PROGRAM:

THE 2nd DAY (September 21th, 2013 Saturday)

09:00-10:00 Video-Lectures “Laparoscopic nephrectomy: which technique is the best?”

Chair: *C.Guler, E.Basok*

- Retroperitoneal approach

O.Sanlı

- Transperitoneal approach

F.Atug

- LESS nephrectomy

M.Arslan

- Complications

M.Ates

10:00 -10:30 Coffee break

10:30-13:00 Live operations

Moderators: *B.Semerci, C.Dincel*

Group A – B - C Practical interactive online lectures from operating room.

Op. room 1. Lap. Retroperitoneal nephrectomy (*J.Rassweiler*)

Op. room 2. Lap. Transperitoneal nephrectomy (*I.Seckiner*)

13:00-14:00 Lunch time

14:00-16:30 Live operations

Moderator: *H. Erol, F.Porpiglia*

Group A – B - C Practical interactive online lectures from operating room.

Op. room 1. Transperitoneal LESS nephrectomy (*M.Arslan*)

Op. room 2. Transperitoneal descending nephrectomy (*L.Tunc*)

16:30 Closing remarks

J.Rassweiler
